2017 NOMINATION FORM

NORTH SYDNEY COMMUNITY AWARDS 2017

I am organising the North Sydney Community Awards to say thank you to the many volunteers and community organisations that work to make our area a better place. There are many people quietly working in our area to help others in need or in support of the community.

My electorate encompasses a diverse cross-section of interesting, vibrant and different residential areas, as well as the thriving business hubs of North Sydney, St Leonards, Chatswood and Lane Cove.

While most people volunteer without expecting accolades it is important that we acknowledge those who really are the glue that holds our communities together. We all face the pressures of work and many also have family responsibilities. In this busy world it is important that we take time out to think of others, to contribute to those organisations that are protecting our suburbs and to the groups that are bringing people together. Here on the lower north shore thousands are doing just that.

The North Sydney Community Awards recognise those organisations and individuals who contribute to our area.

I would encourage you to nominate that special person or group helping others.

Yours sincerely
